

ALEXIS LICHINE SÉLECTION NOBLESSE

SAINT-ÉMILION AOP

Grand Vin de Bordeaux

Soil

Clay-calcareous and clay-sand hillsides.

Grape varieties

95% Merlot and 5% Cabernet franc.

Location

The Saint-Émilion vineyard is a region close to the famous town of the same name, a UNESCO world heritage site, located on the right bank of Bordeaux. Saint-Émilion is an important Bordeaux appellation, producing some of the world's most famous wines. The town of Saint-Émilion is as famous for its wines as it is for its architectural heritage.

Vinification

This wine is made traditionally in stainless steel vats. The process is very long and lasts between 2 and 3 weeks. Once the vinification is finished, the wine is aged and devatted every 3 months.
